LOOKING AFTER LOCAL FAMILIES SINCE 1957

Trusted Dental Care for Every Generation

The practice has been proudly caring for generations of patients since 1957. As part of the community for over 65 years, the practice has grown and evolved—always with a focus on exceptional dental care. Now, we're excited to begin a new chapter. As of March 2025, Dr Ahssan and Dr Marta have proudly taken on the care and continuity of the practice, building on the legacy of trusted dental care. With their dedication and expertise, the practice has been renamed and rebranded to Moltons Dental & Aesthetics.

At Moltons Dental, our name is inspired by the essence of vitality and transformation. "Moltons" suggests a blend of tradition and modernity, embodying the energy and renewal of exceptional dental care. Our mission is to provide comprehensive dental solutions that enhance health, restore confidence, and support our patients' overall well-being. We look forward to welcoming you—and to continuing to care for every generation of your family.

NOW WELCOMING NEW PATIENTS

At Moltons Dental, we understand how important it is to choose the right dental practice for you and your family. Whether you've recently moved to the area or are simply seeking a higher standard of care, we're here to help. We're delighted to welcome new patients to our friendly practice. With a dedicated team and a seamless registration process, it's easy to begin your journey to a healthier, more confident smile.

TREATMENTS WE OFFER

At our dental practice, we offer a full range of high-quality treatments tailored to your individual needs, ensuring your oral health and smile are always at their best.

- **Specialist Implant Centre**
- **I.V. Sedation**
For nervous or anxious patients—gentle, stress-free dental care.
- **Specialist Periodontal (gum) Care**
- **Specialist Endodontic (root filling) Care**
- **Specialist Oral Surgery**

FAMILY-FOCUSED CARE

At the heart of our practice is a deep commitment to family-focused care. At Moltons Dental, we believe that great oral health is a lifelong journey — and it starts at home. That's why we proudly welcome patients of all ages, creating a safe and supportive environment where every member of your family feels valued and cared for. We take the time to build lasting relationships with our patients, ensuring continuity of care, comfort, and confidence throughout every phase of your family's dental health.

FACES BEHIND YOUR CARE

We are proud to have a truly talented team of professionals dedicated to looking after you and your family. On our website, you can meet the rest of our wonderful team, and we all look forward to welcoming you.

At the heart of Moltons Dental are Dr. Marta and Dr. Ahssan—two dedicated and passionate dentists with over 40 years of combined experience. They’re more than just highly skilled professionals—they genuinely love what they do. That passion shines through in every patient interaction, from routine check-ups to advanced treatments.

Together with the amazing team at Moltons Dental, their vision is simple: **To provide honest, high-quality dental care in a warm, welcoming environment—where your comfort and wellbeing always come first.**

CARING FOR NERVOUS PATIENTS

At Moltons Dental, we understand that some patients feel anxious about dental treatment. Our team offers a calm, reassuring environment and takes extra time to ensure you feel comfortable at every step.

For those with dental anxiety or phobia, we also offer conscious sedation options to help you relax and make your visit as stress-free as possible. If you're worried about your treatment or want to learn more about sedation, please call us for a chat or visit our website. We're here to help!

ADVANCED TECHNOLOGY

Digital Radiography: Delivers fast, high-quality X-ray images with significantly reduced radiation exposure.

Digital Intraoral Cameras: Captures detailed, real-time images inside the mouth to enhance diagnosis and patient understanding.

Advanced 3D CT Imaging: Our 3D imaging enables precise planning for implants, root canals, and complex extractions like wisdom teeth—ensuring safer, more accurate treatment every time.

Computer-Guided Dental Implant Surgery: Uses advanced 3D imaging and planning software to ensure highly accurate, minimally invasive implant placement for improved comfort, safety, and long-term results.

Intraoral Scanning: Our advanced scanners replace messy impressions with quick, comfortable digital scans. Real-time 3D models improve accuracy and help us guide you through your treatment with clarity and confidence.

Microscope-enhanced Dentistry: Our advanced microscope technology ensures exceptional precision in endodontic and restorative care—enhancing diagnosis, treatment accuracy, and long-term results.

WHERE GENERAL DENTISTRY MEETS SPECIALIST EXPERTISE

In addition to high-quality general dentistry, Moltons Dental offers specialist services including dental implants, periodontics (gum care), endodontics (root canal treatment), oral surgery, and cosmetic procedures — all delivered by our experienced team to ensure expert care and excellent results.

PAYMENT METHODS

We accept a range of payment methods, including cash, credit, or debit card. Finance is also available for larger treatments, making it easier to get the care you need without the upfront cost.

Visit our website or give us a call—we're happy to help!

CONFIDENTIALITY

We are committed to maintaining the strictest confidentiality at all times. Your personal information and medical records will never be shared with third parties without your permission. If you would like to see a copy of our confidentiality policy, please ask a member of our team.

PATIENT & DATA PROTECTION

Your safety and privacy are our top priorities. We follow the latest cross-infection control procedures and are fully compliant with CQC (Care Quality Commission) standards. All instruments are cleaned, sterilised, and maintained in accordance with Department of Health guidelines.

We also take great care in managing your personal data. Our systems are fully compliant with GDPR (General Data Protection Regulation) and the Data Protection Act. This means your information is stored securely and used responsibly.
